Initial Meeting Notes

1. Do want a timeline, however you want to represent it (diagram, words, etc.)
2. For historical representation, should have at least one image of the original footage of police getting at Rodney King
3. Maybe warnings for images that some people may find distressing
4. Color scheme = maybe red? A lot of color from images, so for text and boxes, do whatever I want
5. Also in resources, would like added -LA 92 documentary by National Geographic -Gook by Justin Chon
6. Resources for me
